REFRIGERATION

UP-DATE

2010

"The secret of joy in work is contained in one word - excellence. To know how to do something well is to enjoy it." --**Pearl Buck**

Make 2010 the year to better yourself in your industry. Up-Date 2010 has been planned for you... take just one day to update you and your employees with excellent seminars on the latest federal mandates, the R-22 phase-out, compressor starting problems, replacement motors and problems, an intro to ammonia refrigeration and cascade carbon dioxide refrigeration systems.

The Up-Date is scheduled for Wednesday, February 10, 2009 at the Benton Convention Center in Winston-Salem, NC. Seminars are scheduled from 8:00 a.m. to 12:00 noon and from 1:00 p.m. to 3:30 p.m.

In addition, take the opportunity to explore the very latest in technology; products and services with the many vendors exhibiting during the show. The exhibits will be open between 7:30 and 12:00 noon and again from 1:00 to 3:00 p.m.

Registration for the Up-Date seminars and exhibits is free. You are encouraged to pre-register for the meeting. If you pre-register, you will receive your name tag and up-date information in the mail prior to the meeting.
